MEMORANDUM FOR: Legislative Counsel

SUBJECT : Allen/Scott Article

Attached is a paragraph by paragraph comment on the Allen/Scott article. This is more than you asked for but after reading the piece I decided that for my own protection I had better go over it in detail and keep a copy in my "crank file". Bitter experience has proved to me that once items like this get out, they keep circulating for months afterwards, and we are very likely to get additional inquiries as time goes on.
